We don't give majorities or pluralities, as we haven't got time to figure

them up—if you haven't time turn it over to the school children, it will be good practice for them, and they probably need it.

John Price has Done It.

Done what? Why forever scattered, dispelled, annihilated, and, in Missouri parlance, forever knocked the socks off the superstition that thirteen is an unlucky number. He began the thing way back yonder (no body knows when) by getting himself born on the 13th of the month. That would seem a bad beginning ordinarily, and no one would take such chances but a Democrat. However, that is what he done, and he has been getting along first rate all these years, everything considered. He has never been in jail, never got run over by an automobile, in fact has done first rate. The only thing that is marked against him, that a good many of us can't get over, is, he has always in season and out of season, regularly and consistently voted the Democratic ticket. A good many think that being born on the 13th may have had something to do with that, as that does really seem to be about as bad a thing as a person could be guilty of. However for the sake of his family, most of us tried to overlook it. I forget it. Not satisfied with what he has already done on the 13th, Wednesday of this week, he hit that unlucky number again, by giving a big blow out on his birthday, and inviting thirteen guests. As one of the guests was detained until after dinner, thirteen sat down to the table at once, including the host himself. When it was noticed that this number were at the table, one after another was invited to leave, but no sir, not one got up, and so fate was tented. There were good reasons why no one would go, for such a table! Talk about things to eat. If the Price family don't go busted, it show plainly that the change of administration is not going to effect business, and that this country will just stand anything. The good things that Mrs. Price and other ladies of the household, got on that table will long be remembered by the fortunate guests, such as Dr. P. G. Woods, General Ivey, Judge D. A. Fairley, Elwyn Price, T. R. Townley, W. H. Kavanaugh, Wm S. Gibbs, J. S. Thurston, Samuel Daniels, John R. Gunn, W. L. Stephens, Jas. Clark E. A. Crewson. Members of the family who live in this part of the country were all present. Alvin Price and family, Mrs. Geo. Robinson from Tipton, with the whole firm of Price Lutz and Price and their families. It was sure something of a crowd. Everybody had a fine time, and left with many good wishes and willingness to give the 13th another whirl as soon as it comes this way again.

A Farewell Party.

Messrs. J. C. Hardy and Wm. Griebel gave a card party Tuesday evening at the D. A. Fairley residence, in honor of Wm. McKinley, who is to leave for his home in Ft. Scott, Kan., Thursday morning. Mr. McKinley and Miss Linda Heineman won first prize as best players, Mr. McKinley receiving a Meerschaut pipe and Miss Heineman a lovely piece of cut glass. Those present were: Misses Mary Hubbard, Cora Hubbard, Nina Mason, Ruby Bond, Linda Heineman, Maud Blair, Irene Petty, Bryant Howard, Mesdames J. C. Hardy and Chamberlain, Messrs. Randal Young, Lester Koetting, Edwin Williams, Claud Carter,

Cass Beard, Wm. McKinley and Elick Jacobs.

An elegant two course lunch was served, and all present had a most enjoyable time, and hope to be with Mr. McKinley on his next farewell.

LOCAL NEWS.

Missouri is in the "black belt" when it comes to woman suffrage, the other states in which the women have the ballot in no form being, Nevada, Texas, Arkansas, Indiana, Tennessee, Maine, Pennsylvania, Maryland, Virginia, West Virginia, North Carolina, South Carolina, Georgia and Florida. Let us get out of such company.

The war in Mexico continues in the usual orderly manner, births and deaths about even.

Yes, we are in favor of Gov. Hadley being put on the ticket with Tait—just fits.

We had been having Indian Summer until Tuesday evening, when that near-norther struck us, but by Wednesday morning the old gal was back on the job, and we hope she will stay until Christmas, or longer.

Mr. McKinley, manager of the Royal Theatre, left Wednesday for Fort Scott, Kan., for the winter, and the Royal will be under the management of Robt. Toler until his return.

If Dr. Short will dispose of Palace Park at a reasonable price why not secure it for school grounds? The present building would be a disgrace to the Kalfers, and there are no grounds.

C. D. Hunter, of the Globe Drug Store, was in Kansas City last week laying in a fine supply of Christmas goods and phonographs.

Lawyer Amos Knoop of Kansas City dropped in on us this morning and left this afternoon. He reported business growing and coming his way.

Born to Mr. and Mrs. Tom Hedrick, 11-14 miles south of town Wednesday Nov. 13th, a fine baby boy. The 13th in the family, surely Mr. Hedrick is a Progressive.

Manager McKinley, of the Royal, tendered the following friends a box party Wednesday night: Misses Linda Heineman, Bryant Howard, Irene Petty, Lorene Petty, Ada Beard, Cora Hubbard, Mary Hubbard, Maud Blair, Nina Mason and Mrs. J. C. Hardy, Messrs. Cass Beard, Wm. Griebel, Ed Williams and Randal Young.

SCATTERED ITEMS

We are still shouting for Kauffman and the Democrats that saved the day and elected him. Gee! but what a disgrace it would have been had they tailed. Glory to God in the highest.

T. M. Hunter and wife visited at Conway Jones' Sunday. Mrs. Jones has been quite sick for some time.

There are large herds of cattle being driven across the country hunting buyers. Mr. Stevens recently passed through with some heavy cattle.

Mr. Green Huffman is quite poorly. He is suffering from piles, fistula and other troubles. Some days ago he went to Thornton & Winon, of Kansas City, but returned and is taking treatment from Dr. Latham.

If you voted against a defeated candidate don't offer him sympathy for he is likely to cuss you. Just jump up, crack your heels together and tell him you helped to put the fixings to him, dam him.

German Settlement.

Tait and Teddy both congratulated Wilson. We forgot, did William and Theodore exchange congratulations?

It is claimed politicians are already scrapping over who will be P. M.

Hurrah for Teddy. The Progressive only ninety days old and broke the old fellow's back. Remember the Chicago Convention last June. Thou shalt not steal.

Mrs. Mary Bucher, who has been visiting in Ohio and Indiana, returned home last week hale and hearty.

Mr. and Mrs. John P. Welty, from Wayne county, Ohio, are here on a visit among relatives and friends. They expect to extend their trip to Georgy, Okla.

We are sorry to learn of two applications made for saloons in Versailles.

WHAT IS A SALOON?

From a man in the penitentiary, who was sentenced there for a crime which he committed while drunk:

A bar to heaven, a door to hell,
Who ever named it, named it well.
A bar to manliness and wealth,
A door to want and broken health.
A bar to honor, pride and fame,

A door to sin, grief and shame,
A bar to hope, a bar to prayer,
A door to darkness and despair,
A bar to an honored and useful life,
A door to a brawling senseless strife,
A bar to all things true and brave,
A door to every drunkard's grave,
A bar to joy that home imports,
A door to tears and breaking hearts,
A bar to heaven, a door to hell,
Who ever named it, named it well.

Ignorance of law excuses no one except the lawyer, makes little difference what dirt he makes, we have to foot the bill and it don't take an expert to make trouble.

Ben Garber and family moved to Putnam county, Ohio, lately.

Rev. P. P. Lehman and wife contemplate taking a trip to Indiana and Ohio soon.

Home Mission Week.

Next week will be observed by all evangelical churches as a week of prayer for home missions—for the speedy evangelization of our country and her dependencies. The following is the program for the week at the Methodist church.

Sunday morning sermon: "Our Country's Debt to Christ"; evening sermon: "Our Country's Opportunity for Christ."

Monday night: "American Indians, negroes and immigrants."

Tuesday night: "The Frontier and our dependencies."

Wednesday night: "Rural Regions and the City."

Friday night: "American social Problems."

These topics will be illustrated by accurately prepared charts and figures. Come, all who can, and let us know the country's state, and pray and work for her evangelization speedily.
